

# GID BERRIDGE

## Front End Developer

### PERSONAL PROFILE

A front end developer with a passion for building intuitive, responsive, and visually appealing user interfaces that enhance the overall user experience. With a strong foundation in HTML, CSS, and JavaScript and additional knowledge of React and Ruby on Rails, I am committed to developing my skills and staying up-to-date with industry trends.

I am London (UK) based and am happy to work either hybrid or remotely.

### PROJECTS - see [www.gideonberridge.com](http://www.gideonberridge.com) for portfolio

#### WWW.ZAPPAQUIZ.COM

*React / SCSS*

A quiz app about the musician Frank Zappa. It uses state to keep track of the score and issues you a Zappa song title as a compliment or insult based on the result. Uses props, hooks and lifting the state.

### Interests

**Music** - I enjoy playing electric and bass guitars, double bass and trombone and have performed in several bands.

**Raspberry Pi and Arduino projects** - I have made several projects including audio effects and a time lapse camera.

**Art** - I like to explore London's galleries and also have an interest in video, digital and street art.
