GIDEON BERRIDGE

Front End Developer

PERSONAL PROFILE

Currently working as a junior front end developer after career changing a year ago following a 6 month intensive web development bootcamp. I am looking for opportunities to enhance my skills in CSS, JavaScript, Ruby, React or Python so am looking for junior front end or full stack developer positions.

Previously I had a career in music and the audio visual industries where I gained useful skills in problem solving, communication and creative thinking.

TECHNICAL SKILLS

JavaScript (ES6)
React
HTML 5
CSS
Ruby on Rails
Python
SCSS
BEM
GitHub
Bootstrap
SQL
Heroku
AWS
